MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Command Policy Letter 3, Safety

1. References:

- a. AR 385-10, The Army Safety Program, 23 May 1988.
 - b. AR 385-55, Prevention of Motor Vehicle Accidents, 12 March 1987.
 - c. USAREUR regulation 385-55, Prevention of Motor Vehicle Accidents, 26 January 2000.
 - d. Army in Europe Command Policy Letter 3, Safety, 4 May 2003.
2. To preserve life is a primary mission of this command. I will do everything possible to protect our Soldiers, civilian employees, family members and the citizens we serve.
3. Safety conscience individuals who consider the outcome of their actions and who are diligent in protecting their way of life is a goal of our training program. It is everyone's business and we will implement measures to prevent unsafe acts.
4. Training, education, experience and responsibility are our way of life. My philosophy is simple; know your equipment, understand our capabilities, and think through each situation before attempting it.
5. Privately Owned Vehicle (POV) accidents is the number one killer of service members in USAREUR. We will utilize safety inspections, training, and situational awareness to prevent POV accidents. Published guidelines will be followed and updated as needed.

6. In the event an accident or unsafe act occurs, leaders must ensure it is properly reported. Reporting unsafe acts is the best way to identify deficiencies and adjust our training program to meet this ever-changing need.

7. EAGER ELITES!
